

ARTIST INSTALLATION GUIDE

To prepare for installation of your pieces, please prepare your pieces in the following way

Hanging Wire

- Each piece should be fitted with a hanging wire
 - Wire should be installed no lower than $\frac{3}{4}$ of the Artwork's Height
- There are exceptions, but this may limit the pieces accepted

Space Limits

- Our current space assignments are restricted to **5 ft. x 6 ft.** of Wall Space per Artist
- Depending on final installation, some space may become more available. Please plan for this limitation.
